

The Fading Trading Stamp.
A Jersey justice apparently wants to make a record for himself as a "marrying man." He has just offered 1,000 trading stamps to each and every bride who will allow him to perform the marriage ceremony, where's nothing stinky about him, either, for he says that the stamps will be forthcoming whether the wedding fee is large or small.—South Norwich Sentinel.

The governor of Chili has ordered 56,130,000 centennial anniversary postage stamps from an American house for use during 1910.

There is more Calarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven cases to be a constitutional disease and therefore requires constitutional treatment. It is a Calarrh Cure, manufactured by F. J. Cienfuegos & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. Cienfuegos & Co., Toledo, Ohio.

Sold by Druggists, etc.
Take Hall's Family Pills for constipation.

Commander Julius A. Pratt Post, No. 143, Dept. III, G. A. R.

Mr. Isaac Cook, commander of above post, Keweenaw, Ill., writes: "For a long time I was bothered with backache and pains across my kidneys. About two months ago I started taking Foley's Kidney Pills and soon saw they were doing just as claimed. I kept on taking them and now I am free from backache, and the painful bladder misery is all gone. I like Foley's Kidney Pills so well that I have told many of my friends and comrades about them and shall recommend them at every opportunity." The Lee & Osgood Co.

Splendid! Well worth the money! Is the universal verdict of every housekeeper who buys Campbell's Varnish Stain for staining and varnishing Floors, Woodwork, Chairs, etc. Easily applied. Dries hard. Wears well. C. R. Browning, 21 White's Court, sells it.

Harmony of Dress.
A beautiful woman also studies the harmony of painting a well kept home; takes care to have the house painted with paint that will continue to look bright, clean and fresh looking. The L. & M. never becomes discolored because only chemically pure colors are used; only the finest white made from metal; only the finest White Lead; only the purest Linseed Oil; only expert paint-makers. A thousand gallons at a time. Contrast this with the costly and crude production of White Lead Paint made by hand labor with a stick in a pot—a few gallons at a time. L. & M. is sold by L. W. Carroll & Son, Norwich, J. P. Kingsley & Son, Plainfield.

THE PASSING OF ARTIFICIAL TEETH

Dr. King's "Restoration" Method does away with the old, telltale false plate.

If you have a few teeth left you may have the lost ones all restored successfully.

THOMAS JEFFERSON KING, D. D. S.
Originator of Dr. King's Restoration Method for the natural restoration of teeth—originator of the King Safe System of Painless Extraction of Teeth, inventor of the "Natural Gum" Set of Teeth, etc. All rights reserved.

The lost teeth of a man or woman can now be restored by the science of dentistry in such a manner that it is impossible to detect the restored teeth from the original or natural ones. The Restoration Method is not one of artificial plates, crowns or bridges—that undesirable artificiality is done away with—and there is no noticeable evidence of the dentist's work in your mouth. Your restored teeth are to grow out of your gums just as do your natural teeth. It is a wonderful improvement over the old method of replacing lost teeth with false ones. Dr. King does his Restoration work at a consistently low price. Before having any teeth extracted see Dr. King about naturally and painlessly restoring your teeth. It Pays.

NO PAIN OPERATING
Painless dentistry in the beginning was not taken seriously; every dental fakir in the country claimed to be a painless dentist, and since they knew nothing of painless dentistry, of course, maltreated their patients and made this great science a joke, a thing to be laughed at and ridiculed. In Boston when Dr. King first advertised his system of painless dentistry he had at least twenty-five imitating dental fakirs to contend with. One by one they dropped out of existence, because they could not make good their false claims, until today he stands alone as the one painless dentist in that city, and, in fact, in Eastern America, who practices painless dentistry as a science and who really performs all operations without pain.

Full set teeth \$5.00 and up with the "Natural Gum" gold crowns \$5.00, bridge work \$5.00; painless, pure gold filling \$1.00 up, other fillings 50c; painless extraction free when sets are ordered. All work guaranteed.

HARTFORD, CONN.

HIGHER FARES ON NEW HAVEN ROAD

Will Yield Annually \$800,000—But this will Not Cover the Increase of Wages.

New Haven, May 20.—Officers of the New York, New Haven and Hartford Railroad company are now engaged actively upon the preparation of the schedules of increased fares upon the divisional and branch lines of the system, which in fiscal aspects is much more important than the advances which have already been filed for the main stem and for commutation rates.

The general plan now proposed is for an increased rate upon the divisional and branch lines ranging from a half cent a mile down to a quarter of a cent a mile. The half cent a mile increase will apply to the Housatonic division and branch lines, the Northampton, and probably some of the smaller branch lines of the system which have not been self supporting. The quarter of a cent increase will apply to the Naugatuck and to the extensive Old Colony system.

Beyond existing increases of five cents on the fare from the Boston and New York terminals to local points, and of ten cents between New York

and Boston, there will be no increase upon the main stem. In general, the proposed increases correspond pretty closely to the percentage of increase already announced on commutation fares from New York.

There will be considerable delay in the announcement of the divisional and branch line increases, owing to the intricacies of working out the tariffs, and the legal requirement of filing at Washington with the interstate commerce commission thirty days in advance. This is almost certain to postpone the operation of the new rates to a period late in the summer. The computations at the New Haven railroad offices indicate that if the present volume of business is maintained the total increase of the rates annually will amount to about \$800,000, subject to increase if the normal gain in traffic should be maintained in southern New England. This will be about \$200,000 less than the increase of wages by the corporation in the various branches of railway service where the employees have demanded and obtained higher pay.

NOANK

Plans for Memorial Day—Patriotic Societies Active—Station Broken Into Again—Bridegroom Seriously Ill.

On Memorial day, the veterans, assisted by the patriotic societies, school children and others will decorate the soldiers' graves in the Noank Valley cemetery. The members of Williams post, G. A. R., honorably discharged soldiers and Sons of Veterans will meet at the town hall at one o'clock Monday forenoon, the 30th.

The line of march will be through Main street to Elm to the cemetery, where the strewing of flowers over the graves will take place. The G. A. R. ritual will be read. Upon the completion of this, the procession will form and return to the town hall and disband. In the afternoon the local members of the G. A. R. will go to Mystic to assist in the exercises there.

The services of the Stonington Fire and Drum corps have been engaged, and an invitation is to be extended to the pupils of the public school and to the Noank fire company to participate in the exercises. Request has been sent out for all who can to provide flowers which will be formed into wreaths and bouquets by the local members of the Daughters of America at their rooms in Mechanic's hall. Liberty council, D. of A., has extended an invitation to the Williams post, G. A. R., members in Mystic and Noank to attend a social and entertainment on May 25. The committee of arrangements has prepared a fine musical programme of national airs which will be rendered by members of the society, at the conclusion of which refreshments will be served. The Daughters and the G. A. R. have been invited to attend the Methodist Episcopal church on Sunday, May 29, when Rev. C. T. Hatch will preach.

Davis Cottage to Open.
The E. G. Davis cottage near West Cove is being prepared for occupancy by the owner and his family, who are expected to arrive from New York some time next week. Mr. Bullard, a relative of the family, who had spent the winter in the village, has charge of the renovation and repairs.

Shipyard and Boat House Notes.
The constructing engineers on the

Window Screens

Now is the time to screen up the house and keep the flies out. You know that flies carry germs and disease and should be kept out.

We have the Continental Extension and Spring Adjustable Window Screens and the Sherwood Metal Frame Extension Screens. Prices range from 20c to 50c.

Screen Doors

We have the Standard Fancy and High Grade Screen Doors in regular sizes. They are made of select stock, finished in natural color and are easily set up. Wire Screen Cloth in black galvanized and bronze and screen door sets, hinges, etc.

may17TuS

Jay Street Terminal company's tug Jamison, which was constructed at the R. Palmer & Son shipyard, had steamed in the boilers Friday and the whistle and engine were tested. Members of the crew were at the yard and inspected the boat, with which they are well pleased. The trial trip is expected to take place in about one week.

The Atlas Cement company of New York lighter was launched Friday. The boat, which is 90 feet long, 30 feet wide and 10 feet deep was built and successfully launched by sub-contractor J. J. Fitzpatrick.

Webster Eldridge has completed the construction of a boat for Long Island parties, which is 35 feet keel, and 9 foot beam, and will be used in the fishing business.

At the Rogers boat yard, the speed launch Ripple, owned by R. N. Hodges of New York, is receiving special attention, as the owner is expected here soon to put the boat in commission for the summer.

Noank Station Again Entered.

That a night patrolman is very much needed in Noank was demonstrated on Thursday morning when the Noank station was entered for the third time this winter. Entrance was made by breaking out a window light. The penny in the slot candy machine was torn from the wall and broken open. The robbers were evidently disturbed by some fear of being caught, as the pay telephone installed at the station and a trunk containing articles of considerable value were not disturbed. Station Agent C. L. Fitch upon opening the station Friday morning, found the machine demolished on the shore of the North Cove. Following the theft of the candy machine he found a newly made mound and upon turning over the dirt found nearly five hundred pieces of gum and cigars which had been recently placed in the machine. The money had been removed from the machine a few days ago and the robbers obtained little of value.

News Notes.

Arthur Cox, an assistant at the State hospital at Norwich, was called on relatives in the village Friday. Word has been received by friends of Oliver Sonia in the village that he is recovering from his illness. Mr. Sonia was married here only a short time ago and was enjoying his honeymoon in Boston when taken ill.

Mrs. Frank Fitch and daughter, Miss Bertha, returned Friday from a brief visit with relatives in Medford, Mass. Capt. J. Edgar Fitch, who has returned to New York, after a brief visit with his uncle, Capt. Moses A. Fish.

STONINGTON.

What Is Going On About the Borough—Suit for Injuries—Extension of R. F. D. Route—Donation for the Poor.

Miss Jennie Killan has resumed her duties teaching at the borough school after being absent through illness. Sunday afternoon the members of the Algonquin club meet in their rooms and talk over ways of celebrating the Fourth of July. Consideration being an excursion to Newport, R. I.

The Casino at Wequetequock will open for the season next week.

Suit for \$10,000.

Deputy Sheriff Casey of Stonington has served papers in a suit against R. A. Sherman's Sons company, in which John E. Alexander, Jr., sues by his guardian and friends, John E. Alexander, to recover of the defendant company the sum of \$10,000. The claim is that on the 22d of November, 1908, the plaintiff, a boy under 14, was playing with other boys near the velvet mill here, when the agents and servants of the defendant company were building the foundation for the new addition and blasting rocks with dynamite, gunpowder and other explosives when through negligence, carelessness of the defendant's servants plaintiff was badly injured by a stone thrown against his face, causing him the loss of an eye and severe and long continued illness and permanently injuring him.

Chandler Wayland and family arrived from New York Friday, and opened his summer home.

Mrs. Nellie Trumbull and Miss Maria Trumbull returned Friday evening from a visit with relatives in Hartford.

Maurice Ames of Worcester is the guest of friends in town.

Nathan Ellis of Brooklyn will spend Sunday with Stonington friends.

Rural Route Extended.
Carrier Farnell of the rural delivery out of Stonington, has had the route extended. He will go as far north as Sanford N. Billings', a mile further. He will accommodate six additional families, when it takes effect June 1.

Summer Trolley Schedule.

The new trolley time table of the G. & S. will go into effect next Friday. The express car leaving Mystic

In the morning goes at 7:03 instead of 7:33, as has been.

Mrs. George B. Spalding has been the guest of Miss Martha Spalding of Boston.

Amos Hewitt has returned from a trip to New York and Washington. Henry N. Crandall, from the U. S. S. Delaware, who has been the guest of friends, has returned to duty.

Miss Grace D. Wheeler returned to New York this week.

Mr. and Mrs. Oliver C. Pendleton have returned to New York.

Master Roger Braman, who has been the guest of his grandparents, Mr. and Mrs. James Comstock, has returned to Newport, accompanied by his mother, Mrs. Packer Braman.

Clarence K. Tanner will have charge of the express messenger business between Watch Hill and Stonington and will begin his duties June 1.

At Calvary Episcopal church Sunday evening, at the close of the regular service, Miss Zangrandi, the organist, will render a varied classical programme on the organ.

Knowlton Engles with his mother has returned to New York.

To Donate Receipts to the Poor.

Harold Storms will present the receipts from the soda fountain for today (Saturday) to St. Anne's Ladies' Aid society of St. Mary's church of the borough to be applied for the benefit of the poor of the borough.

Willie Robinson won the prize in the second grade in Miss Dennison's spelling match Friday, and Catherine Powers won one also in Miss Stewart's room.

Unclaimed Letters.

Unclaimed letters for the week ending May 21, are as follows: J. W. Emery, Samuel Connoy, John T. Lemory, Raymond Hunt, Mrs. Frederick Harrison, N. E. Case (2).

The Capt. George L. Brewster house has been sold to Mr. and Mrs. Charles Ide.

STAFFORD SPRINGS

Worsted Company Sells Plant—Only One Other Worsted Mill in State—Road Repairs.

The Stafford Worsted company has sold its plant in this town to the Warren Woolen company, and will move the machinery to Woonsocket. There is some regret that the Worsted company is to leave town, as the mill was the only one of its kind here and there is only one other worsted yarn mill in the state. The present owners have had possession since 197. Edwin Farnell is the president and William B. Cordingley secretary and treasurer of the company. The Warren company will fit up the buildings for the manufacture of woolen goods.

Victory for St. Edward's Team.

The baseball team from St. Edward's school defeated the public school team in a well played game on the fair grounds Thursday afternoon by the score of 9 to 8. Batteries, for St. Edward's, Gings and Dupre, for the public school Wise and Crawford.

A top dressing is being placed on the macadam roads in various places where needed.

Mrs. A. L. Howard, who has been ill with grip, has recovered.

Manager Shattuck will have his baseball team out for a practice game Saturday. Stafford will not be in the

Plea for Open Fireplaces.

"If people would only learn to have open fires in their rooms, instead of converting them into hot-air boxes by means of furnaces, there would be fewer colds," said a physician. "Fireplaces and their chimneys are ventilators. To me the beauty of an open fire makes it worth having, but when you consider that it's a sanitary officer, constantly changing the air and driving out germs, it is hard to see how any one can prefer a furnace."

Knees Became Stiff

Five Years of Severe Rheumatism

The cure of Henry J. Goldstein, 14 Barton Street, Boston, Mass., is another victory by Hood's Sarsaparilla. This great medicine has succeeded in many cases where others have utterly failed. Mr. Goldstein says: "I suffered from rheumatism five years, it kept me from business and caused excruciating pain. My knees would become as stiff as steel. I tried many medicines without relief, then took Hood's Sarsaparilla, soon felt much better, and now consider myself entirely cured. I recommend Hood's."

Get it today in usual liquid form or chocolate tablets called Sarsapars.
